

FUNDRAISER FOR BRENDA SMART

Brenda was badly injured in a bicycling accident at Ft. Ord in April. She spent three months in the hospital and has made remarkable progress. She is home recovering now, but she suffered a serious brain injury for which she needs continuing therapy and must undergo extensive oral and reconstructive surgery to repair the injuries to her jaw and mouth.

Brenda's insurance does not cover the oral and reconstructive surgery or the continuing therapy, and the congregation of her church as well as her many friends in the cycling and legal communities have come together to put on a fundraiser to help Brenda get the treatment she needs.

Please join us for a wonderful afternoon of Mexican food, music, silent auction, and raffle prizes to celebrate Brenda's remarkable recovery and support her on her healing journey!
